The new application round is open!

Whether it's a city spa, wellness hotel or health resort – it's all about what's special in your house.

Your offers are in the foreground as well as your commitment to new ideas and sustainable concepts.

The winners and nominees of the Spa Star Awards 2023 will be awarded, honored and celebrated together during the Spa Life Germany event. The gala evening on the occasion of the award ceremony is the highlight.

Please make a note: Spa Life Germany will take place from 26th - 28th June 2023.

The organizer is redspa media GmbH.

Our categories for the Spa Star Awards 2023

NEW

Spa Star Audience Award

Who will win the king category? Our SPA inside readers vote and choose their favorite spa from all applicants. The special feature: Every application submitted can win! The new audience award promises attention, will be seen by a broad readership and is clearly the very best guest recommendation.

Newcomer

If you opened or remodeled your spa or hotel no more than two years ago, and convince with an innovative, modern approach, then this is your category. Tell us the reason for your conversion, extension or new building, what distinguishes you from other houses and which target groups you are addressing.

City Spa

Exceptional, urban day spas or spas in a city hotel that pamper their guests in a luxurious ambience with all-round relaxing well-being treatments for tight time budgets compete in this category. Please tell us your treatment offers, additional services and who your guests and target groups are.

Green Concept

They focus on sustainability and green standards. Regionality and authenticity are lived, the focus is on the experience of nature. They are convinced of energy efficiency, ecological construction, modern nutritional concepts, health-promoting applications in the spa. Or you produce your own cosmetic products with natural ingredients from your region - then apply in this category.

Spa Concept

Do you convince with a conclusive spa concept? This means that you concentrate on one main point, such as Ayurveda, Thalasso and others. Or are you pursuing the retreat idea? Your spa is everything except "usual". If spa treatments, cosmetic products, health and fitness offers and your spa cuisine complement each other, then this is your category for an application.

Health Concept

Do you offer a comprehensive health concept and support guests in improving their work-life balance, living healthier and looking fresh and relaxed? If your concept includes special offers for prevention and regeneration, health maintenance and promotion or better aging and you specialize in F. X Mayr medicine, burnout, sleep therapy, body and mind offers or stimulating workshops for an improved lifestyle, then this is your category.

Spa-Team

Are you the perfect spa team? Harmonious and respectful in cooperation as well as courteous, needs-oriented and professional in service? Show it to us and introduce yourself and your spa in a short, creative video clip (max. 3 minutes). We would also like to know how you ensure the quality of your team in terms of in-house training and quality management and what particularly distinguishes your employees.

Spa Star plus

Are you different from the others? This award is given to hotels that have been committed to the idea of wellness for years with the greatest success, innovative and sustainable ideas with a unique overall concept or an extraordinary design or with excellent cuisine in a unique location and first-class service. It's that little bit 'better' that sets your hotel apart and deserves to be prominently featured.

Which category suits me?

Every spa and wellness hotel primarily from German-speaking countries can apply for a maximum of two of the above categories. All submitted applications will be considered for the audience award.

Who decides on the nomination?

All applications are checked and evaluated by a specialist jury. Three nominees are selected for each category.

How is the nomination for the Audience Award carried out?

Inclusion in the Spa Star Audience Award is automatic. Every application submitted will be considered and presented in an eye-catching way in **SPA inside** for our readers to vote for.

When do I know if I'm nominated?

The specialist jury will meet in mid-March 2023 and select three candidates per category. You will be informed as soon as the nominees are known and your spa or hotel is one of them.

We then need a binding confirmation from you within ten days that you will accept the nomination and that you will be present at the Spa Life Germany event, including the gala evening on the occasion of the presentation of the Spa Star Awards - with the names and number of participants in your house. If your PR agency has initiated the application, we assume that you as an applicant are aware of the conditions of participation and accept them.

What are the conditions of participation and costs?

The one-off processing fee of **EUR 195.00 plus VAT** will be charged for each hotel or day spa that applies for one or two categories.

The application is valid if the processing fee has been received in redspa media GmbH's account by the application deadline on 28th February 2023 at the latest. Should this not be the case, the hotel will be eliminated.

Please note: If you are nominated and agree to the nomination, participation in the entire **Spa Life Germany** event is mandatory. A participation fee applies. A presence only at the gala evening and the award ceremony is not possible. In the event of non-participation, the next nominated hotel moves up.

The participation fee includes: two overnight stays at the event location, welcome evening, gala dinner, mandatory participation in speed dating and a congress program with dedicated speakers including all catering during the event.
